

CONCOURS JUDGING SCHOOL MAY 12, 2007

The Pittsburgh Section will hold a Judging School & Seminar at Bobby Rahal Motorcars Route 19, Wexford PA. Directions will be provided to all that register. The classroom and hands on instruction sessions will be held indoors so plan to attend Rain or Shine!

We are fortunate to again have Pete Lesler (Western Reserve) as the instructor for this seminar Pete will also be the Chief Judge for our StarTrack 2007 Concours d'Elegance at The Pittsburgh Vintage Grand Prix July 14-15, 2007. Pete is one the most experienced car show judges/instructors in the Mercedes-Benz Club of America. Pete will share many years of showing and judging THE MERCEDES-BENZ with you. This seminar is designed for Novice through Show Class Judges. Some of our experienced local judges will assist Pete with the instruction. This class is being offered to all MBCA members and non-members. This is a great opportunity for our local members to take advantage of this learning experience without travel.

If You have attended this M-B Seminar before or have judging experience this will be continued education for you. If you have entered cars in the past and are curious as to how they are judged, what the class breakdown means, this will be an information school for you. If you would like to become a Car Show Judge, this seminar was designed for you. We hope to recruit many judges and scribes for our National Convention in July at The Pittsburgh Vintage Grand Prix from this seminar. It is possible to cover all this information in one day, but a full day. The session is scheduled from 9AM to 12 Noon, Lunch till 1 PM and wrap up at 3 PM.

The Registration Fee of \$20.00 will be waived to all MBCA members, this covers all material and lunch. Certificates of completion (suitable for framing) will be presented to all registrants completing the full course. If your schedule requires you to leave early, you may leave at any point. PLEASE REGISTER AS EARLY AS POSSIBLE. The class size is limited.
